S.2. 3880/48 dated 21Ø9/49.

Sir,

Sub: Agriculture- Agricultural Implements- by lift adoption of Borewell pumps for bullock drive- transfer of pumps to Agricultural Department- proposals.

*****

Government in G.O. Ms. 3634 Development dated 8-7-48 sanctioned an expenditure not exceeding Rs.10.000/- for the manufacture by the Industries Department, of six borehole pumps for bullock drive and for the installation and demonstration of these pumps in Agricultural and Sericultural farms with a view to popularise the standard models.

2. The Joint Director of Industries & Commerce, Madras in his telephonic message No.B.6-4282- Eng/48 dated 15/7/49 informed me that the pumps were not manufactured due to the closure of the Experimental section consequent on the deputation of the Engineer Designer to Hyderab ad. The Hon'ble Minister for Agriculture asked me on 12/7/49 to undertake further research work on these deepwell pumps. The Research Engineer has been asked to include this items of work in his programme. The Joint Director of Industries and Commerce, Madras was also addressed on 26-7-49 to find out whether he is agreeable for the transfer of the model pump available with him to this department, so that the Research Engineer, Coimbatore may be asked to take up the manufacture of these pumps.

3. The Joint Director of Industries and Commerce, Madras in his letter B.6 4282/Eng/ 48 dated 7/9/49 has agreed to the transfer of the model pumps to this department. He has also purchased a pipe fittings and other iron materials for about Rs.1,500/- I propose that the model pump and the materials may be transferred to this department for further action. I request that Government may please approve of my proposal and issue orders for the transfer of the model pumps and materials.

No.4282-B6 Engg/48 dated the 27th October,1949.

Sir,

Sub:- Agriculture- Agricultural Implements by lift adoption of borehole pumps for bullock drive trasfer of pumps to Agricultural Department- Regarding.

Ref: Government Endorsement No.97480-D.I/49-1 dated 30-9-49.

***

Consequent on the deputation of Sri B.Narashimha Rao, Enginmer Designer, to Hyderabad the Experimental Section has been closed down temproarily. Henco the manufacture of bullock driven pump cannot be proceeded with until the section is reopened. In his letter dated 26-7-49, the Joint Director of Agriculture intimated that the Honourable Minster for Agriculture has asked him to undertake research work on these deep well pumps and suggested thar the medel pumps may be transferred to his department. Accordingly, I have agreed to transfer the pumps and other materials purchased for the manufacture of six borehole pumps.

In the above circumstances, with a view to help the further research the trasfer of the pumps and materials purchased for the manufactture of the six bullock dirven borehold pumps sanctioned in G.O. Ms. No.3634 Development dated 8-7-1948 to the Joint Director of Agriculture may be approved by Government.
